

Give today, and make a difference in the lives of all children in Chippewa, Luce, and Mackinac Counties...

Your generous donation will go toward underwriting the cost of one book per month for 60 months for a child in Chippewa, Luce, or Mackinac County. By giving to the Imagination Library, you're inspiring a young reader. For a donation of \$30 per year for each child, you can help a child to be ready for and to learn the love of reading for life. The Imagination Library will be a positive start for children. Their participation in this program will lead to a greater ability to learn, growth in imagination, and better preparation for entering school. To receive a book in the mail each month, addressed to their very own name, will build the children's self-esteem in a positive way.

Inspire young readers...

Inspiring a young reader is the perfect way to celebrate loved ones and special moments...

- In honor of a child or grandchild
- In memory of a loved one
- In honor of a favorite teacher or student
- Toward encouraging the love of reading

A little money goes a long way:

- Your \$30 gift can provide twelve months of books for one child
- Your \$60 gift can provide twelve months of books for two children
- Your \$90 gift can provide twelve months of books for three children
- Your \$150 gift can provide books for five years - 60 months - for one child

Bringing books into the homes and lives of youngsters would not be possible without the contributions we receive from generous donors. Of course, every contribution we receive-no matter how small-is greatly appreciated.
